Thanks to all of our volunteers

Because of your time and help North Star has made great strides this past year in continuing to fulfill our mission.

It may have been financial support, recruiting new members, your time in getting displays to events, sorting items, raising funds working on acknowledgements, or stuffing envelopes ... you get the idea.

A very special thanks to **3M** for 7,306 square feet of storage, workshop and office space.

Special highlights of our year include:

- **36,000** people who have seen our displays.
- **35,000**, the total number of items now in our collections.
- **4,600** Arrowmen who saw our displays at the National Order of the Arrow Conference in Knoxville, Tennessee.
- **80** volunteers who helped staff the Minnesota State Fair booth and the over **5,000** visitors who stopped to visit.

The major challenges facing the museum for this year:

- Increasing our membership.
- Increasing our funding.
- Continuing our work to find a permanent location.
- Upgrading our displays.
- Adding to our volunteer workers.

John Guthmann
Chairman of the Board

Our Mission

The mission of North Star Scouting Memorabilia, Inc. is to operate a museum dedicated to acquiring, restoring, preserving and displaying the memorabilia of the Scouting movement in order to commemorate and enhance the awareness of the contributions and values of Scouting since its inception as an international movement in 1908, and to hold an annual reunion of veteran Scouters.

- We are a Minnesota Non-Profit Corporation founded in 1976.
- We are a Federal 501(c)(3) organization.
- We are an all volunteer group.
- Our membership is non-discriminatory and includes more than 200 members from across the United States.
- We are a member of the American Association of Museums, one of only three Scouting Museums in the United States who are members.
- We are a member of the Association of Midwest Museums.
- We are a member of the Association of Scout Museums International.
- We adhere to the Code of Ethics for the American Association of Museums.
- We adhere to the donor Bill of Rights of the American Association of Fund Raising Counsel.
- Our collections cover both Boy Scouting and Girl Scouting.
- Over 36,000 youth and adults viewed our exhibits and traveling displays at events between May 1, 2000 and April 30, 2001.
- We annually exhibit in the Education Building during the Minnesota State Fair. Over 350,000 people visit the building.
- We have over 35,000 artifacts in our collection, including movies, audio and videotapes, photographs, books, magazines, patches, uniforms, equipment and other items

Reunion

The 2000 Veteran Scouter/Order of the Odor Reunion was held at Fred C. Andersen Scout Camp. There were 50 members and guests in attendance. During the afternoon there were displays from the museum available. We also received some artifacts from the members.

The program included a talk by retired CEO Ron Phillippo of the Indianhead Council on Scouting during his professional career.

For the first time ever two individuals were honored with Skunk of the Year Award Lou Schroth and Ron Phillippo were the honorees.

Accessions

This year there were 109 different donations, which totaled 4,545 items. This is an average of 42 items per donation. Some donations were over 300 items. This brings the total number of items of memorabilia in our collections to over 35,000.

The collections continue to grow largely through the Museum's increasing status as a repository for both Boy Scouting and Girl Scouting memorabilia. Items received range from handbooks, and printed materials to mugs, patches, uniforms, prints, photos, videos, diaries, equipment and many other miscellaneous items.

Displays bring back Scouting memories.

Artifacts wanted!

We are looking for donations of additional materials. Specifically needed are Girl Scout items from any year. They could be used in our Girl Scouting display at the Landmark Center in Saint Paul in 2002. We are also looking for additional Boy Scout materials. If you have any of these items that you wish to donate, please contact us.

Computer

The addition of an Olympus Digital Camera to our technological capabilities has allowed us to eliminate the use of film and the associated cost of developing it. Prints are made from our color ink jet printer. This has already improved signage for our displays and the quality of the printing and photos in the *Museum News*.

Facilities

During the year, we have continued to work on finding a permanent home for the Museum. Leads are being examined and followed up on. Ideally we are looking for approximately 10,000 square feet. This size is what is required to adequately show the collection, create displays, and store the collection. Other requirements are being handicapped accessible, being climate controlled, having acceptable fire and police protection, having adequate parking, and, if two storied, having an elevator.

An insurance risk management assessment of our facilities was performed. As a result of the recommendations we have been replacing our shelving units with new ones. We are working on carrying out the other recommendations.

We continue to upgrade our workshop with new tools and have purchased additional light weight tables for working on the collections.

We may be contacted at: Web Master at nssm.org or Terri Anderson at 651 254 9151.

Education and Outreach

The outreach program has had an exceptional year. During the last 12 months as many as 375,712 persons have viewed our displays at numerous events.

Event	Number
Minnesota State Fair	350,000
Boy Scout Council Activities	2,124
6 Boy Scout Order of the Arrow Activities	1,345
7 Boy Scout and Cub Pack Unit Activities	998
5 Scouting District Dinners/Meetings	1,246
Ripley Rendezvous	10,000
National Order of the Arrow Conference	4,600
Other Events	5,399

All display events are handled by 25 museum volunteers, who pick up, set up, monitor, take down and return Museum displays in all kinds of weather, both near and far. For a single 2-hour evening event, the staff volunteers spend an average of 3-4 hours, excluding travel time (bad weather conditions, add 2-3 additional hours).

Curator's Report

Many new displays were built during this past year. These included revamped displays for the year long exhibit at Phillippo Scout Reservation. We also acquired three additional used display cases. These were upgraded and turned into mannequin display cases. At Phillippo Scout Reservation, we now have four uniform displays, a neckerchief slide display, a patch display and a book display along with a case with miscellaneous items.

The Museum's first national exhibit occurred as part of the OA Museum at the National Order of the Arrow Conference in Knoxville, Tennessee. Over 4,600 Arrowmen visited the museum. Our displays included 4 mannequins with uniforms from the teens and thirties. The uniforms were the most photographed items in the museum. We are planning on repeating this exhibit in 2002 at the National Conference in Indiana if we receive an invitation to participate.

We now have permanent displays at the Sioux Boy Scout Council in Sioux Falls, South Dakota, Phillippo Scout Reservation, Cannon Falls, Minnesota and the Hulings Scout Service Center in Saint Paul, Minnesota. During the coming year we anticipate increasing the number of displays in camps by putting materials in the History Center at Many Point Scout Camp and at Kiwanas Scout Reservation. This would give us displays in four Boy Scout Councils.

2001 Goals

- Additional members.
- Additional funding.
- New Displays.
- Additional volunteers.
- Increased preservation of current collections.
