

# NORTH STAR MUSEUM NEWS

1976-001 Celebrating 25 years of preserving the history of Scouting.

June-July-August-September, 2001

One of the two mannequins on loan to the Heritage Center at Many Point Scout Camp

**As part of this issue we have included the 2000-2001 Annual report. We hope that you enjoy it and will share it with a non-member.**

We also received 3 great collection of materials from the Minneapolis Area. These included many uniforms, patches, books and additional items.

There have also been some purchases of Girls Scouts artifacts.

## Many Point Scout Camp

With thanks to Mr. Bob Gagner, Viking Council Director of Camping, we now have two uniformed mannequins on display as part of the air-conditioned History Center at Many Point Scout Camp. This Center covers the history of the Camp area since the ice age. The camp had about 4700 persons in attendance last year. Many Point is the Viking Council's summer Camp near Park Rapids, Minnesota.

## Donations

We have received a very nice donation of a collection of over 900 items. The collection was built for about thirty years. It includes over 125 Order of the Arrow patches, Boy Scout Council patches, and over 163 books and pamphlets.

## New!

With special thanks to John Andrews, Scout Executive of the Indianhead Council B.S.A. who arranged the donation of this Scott McKenzie statue.

The Statue stands about 16 inches high and is made of plaster with a finish.

The statue was manufactured in 1914.

## Coming in March 2002

The year 2002 is the 90th anniversary of the Girl Scouts of the United States of America. In cooperation with the Ramsey County Historical Society, we will have an exhibit celebrating these 90 years.

The exhibit is scheduled to open in March of 2002 and run through October. It will be in the North Court of the Landmark Center in Downtown St. Paul.

Many new items have been added to our collection recently. We will have uniforms, books, magazines and picture along with other materials. A time line will also be included.

A Girl Scout poncho and two uniforms on our new displays.

## 2 Section OA Conclaves

Thanks to Peter Johnson and Gary Reisdorph who took our displays to the Section C-1A OA Conclave in Iowa.

Also thanks to John Raymond and his son David who took displays to the section C-1b Conclave in Winona Minnesota. Also to Joanne Robbins who helped at the Conclave.

Over 600 youth and adult Arrowmen had the chance to view some of our great displays during the two weekends. Two new members joined during the Section C-1B Conclave in Winona.

New displays at the Kiwanis Scout Reservation.

## Kiwanis Cub Scout displays

In August, two displays were installed at Kiwanis Scout Reservation of the Indianhead Council. They are a Cub Scout and a Den Mother from the late 40's through the 50's. Kiwanis is used primarily for Cub Scout Camping.

## Minnesota State Fair

Working with the Indianhead council we again had our materials at the Minnesota State Fair. We had a new 4-foot display case with many items in it. In addition there was a 1930's Cub Scout and the display of Boy Scout and Cub Scout book covers. Over 500 signed the Eagle book. Many thanks to the 60 persons who helped staff the booth.

New displays and case at the 2001 Minnesota Fair.
