

May-September, 2002

Our displays at the 2002 National Order of the Arrow Conference at Bloomington Indiana.

## 5,200 Arrowmen see displays

During the last week of July over 5,200 Order of the Arrow members viewed our displays at their National Conference. The displays were part of the OA Museum at the bi-annual National Conference. We were featured in their publicity.

This year's Conference was located at Indiana University in Bloomington, Indiana. We had four uniformed mannequins in our new display cases along with 11 new tabletop display cases and 20 feet of wall displays. We also had five tabletop displays. The displays included old uniforms, books, canteens, cook kits and many other items.

This is the second time we have had displays at the Conference. In 2000, it was at the University of Tennessee in Knoxville.

Thanks to John Palan and Bob Andreas who took displays down and helped set them up. Also John Raymond who was responsible for the set up and to Bill Lenker, Alex Kahler, Ross Yost, Paul Jensen, Paul and Jonathan Empie and Nick Spencer-Berger who helped on takedown.

Also thanks to Midge Andreas, Joan Robbins and Dick Carroll for creating the displays.

## 5,000 Items this year

Since January we have received over 5,000 items. These came from 80 donors across the area. They included many items from both Boy Scouting and Girl Scouting and Girl Guiding.

This tremendous generosity has created a strong need for help in entering, identifying and sorting. If interested in helping contact us.

## Summer at the Landmark

In June, July and August, at the Landmark Center in downtown St. Paul, was our Girl Scout Summer display. It is a cooperative effort by North Star, the Girl Scout Council of St. Croix Valley and is hosted by the Ramsey County Historical Society.

## Annual Meeting

The annual meeting was held at the Landmark Center in downtown St. Paul on Saturday, May 11, 2002. The participants viewed the Girl Scout display "Spring" before and after the meeting. A full community orchestra provided entertainment for the meeting. The music and the meeting were both well received by the attendees.

Highlights of the meeting included the announcement of an anonymous donation from a husband and wife who are active members of the Boy Scouts of America and the Girl Scouts of the USA.

The \$1,500 donation will be used to purchase 6 new children's mannequins, to go with our new display cases. (for a picture see the last page.)

### Did you know?

## New display cases

Used for the first time at the National Order of the Arrow Conference were four of our eight new mannequin display cases. John Palen, one of our members, built the cases for us for the cost of the materials. There are two sizes of cases, two tall cases for adult mannequins and six smaller cases for youth.

Some additional uses of the cases were at our exhibit at the Minnesota State Fair, to replace some of the cases, at the Indianhead Councils service center, and at the Landmark Girl Scouting exhibit.

Two of our new tabletop locking display cases.

This is the second batch of cases that John has built for us. The first included 12 new lockable tabletop cases. They are great for displaying cook kits and other equipment and also for books, etc. We used 11 of these cases for our displays at the National OA Conference.

The new tabletop cases are being used for temporary displays at events.

## Did you catch us at these events?

In August we had displays at the Lakamaga Girl Scout Leader Training Conference.

We also had our regular booth with displays in the Education Building at the Minnesota State Fair.

Our Girl Scout Exhibit at the Landmark Center was changed to "Fall" in September.

In September we were also at the Section C-1A and C-1B Order of the Arrow Conclaves. There were approximately 300 youth and adult Arrowmen at each one. We had about 30 to 40 feet of displays at each event.
